Docket # 2006-327-WS, Wyboo Utilities is trying to settle with me on this complaint. I believe that what they are doing this to get i to be a liability and Clarendon County is only going to buy assets. Where does that leave me? Heard a rumor that at the time of the closing, Wyboo Utilities must settle all complaints that have a docket # before the sale will take place. Is this true? Bob Parro
